09:46:02 From Carl Schrader : The Pinellas County Property Appraiser has
database files that you can download for free. Go to <https://www.pcpas.org>
on the left side hover your mouse over Download/Reports/Maps then select
Sales/Deed Transactions On that page select PROCESSED Deeds The box Available Deed
Types is on that page and you can filter your request by date, deed type, parcel
number and price. After you download the file you can filter and sort in MS-Excel
by zip code and other items. Direct mail is not a one time shot but it does work as
long as you are consistent and committed to it.

09:46:28 From Paul Levin : Paul Levin, I Deserve A Perfect Life
I believe we are all hurting, some more than others, from childhood traumas. It is
easy to move past those traumas. When that pain is resolved a massive weight is
lifted, and your life will be 100x better.
